

10 APRIL 2016 AWOC-WAGAROOS INTERCLUB NO2 - 9 MILE HILL

Perfect autumn weather and a great roll up for the Interclub 2 on 9 Mile Hill. It was very pleasing to see 42 starters across the four courses. A big welcome to several newcomers and again good to see a few following on from the CATI event at Bells Reserve a couple weeks ago. Unfortunately the home ground advantage did not help the home side with a resounding win to the Waggaroos 47 points to 20. Wagga easily won both the Red courses; Albury managed a narrow win on the Orange course with honours split on the Novice course. Lachlan Billett flew around the Long Red winning by 5 minutes from Deb Davey with John Oliver a further minute back in third place. Again Wagga filled the first 3 placings on the Short Red with Dale Clegg winning from Wes Campbell & Julie Gooding. AWOC's Alex Freire had a good win on the Orange course and Nic Mousley kept the flag flying for AWOC on the Novice course, great to see Nic so keen & running hard at the finish.
