

29 MAY 2016 AWOC/WAGAROOS INTERCLUB No4 WALBUNDRIE

A chilly start for the organisers but a nice day by the time awocers and wagaroos arrived around 10. Tried to challenge you all with something a little different and from the talk after, the second visit to a control wasn't that easy. Nice country for a winter (almost) event and a good turnout. A lot of wagaroos made the trip and I think you wacked us (again) but will leave that to John O to work out and report back.
