

## 4 SEPTEMBER 2016 INTERCLUB NO 8 MT TERRIBLE

The 8th and final Interclub for 2016 saw Albury (finally!) having a win.

After 70 mm of rain in the days prior the already wet ground was very wet in places. But all the water made for a great setting with lush vegetation and flowing streams. Rob Simmons was particularly enjoying one of the glades by a stream on his course, until he considered he was at the low point of the course and the finish was 130 m above at the high point...

Matt Flower lead the way for AWOC with a good run on the 5.5 km Hard course, not even sparing a glance at the expansive views over Albury-Wodonga. Deb Davey (W) wasn't far behind in second and Rob Simmons (A) in third.

Not to be outdone by Matt, Emma Flower (A) comfortably won the 4.2 km Hard course. AWOC completed the podium with Norm McCann second and the Burns family third; especially well done to young Ruby Burns who managed to cover almost the entire distance without mum and dad's help!

No Waggaroos on the 3 km Intermediate course so no points on offer. But John Salmon and Aldo came home first, winning the family battle against Pippa and Jeremy in the process (a week doing dishes for the kids?). Claire and Wendy came in second with John and Nicole not far behind.

Addendum - The wet winter had another effect in making the logs over the streams very slippery, as young Nicholas found out while collecting controls after helping for the day. Apparently the water wasn't very warm!
