

15 NOVEMBER 2017 STREET O MUNGABARFEENA

Another good turnout in warm sultry conditions. The most notable performance of the evening was Trevor attempting to ride down the single track on Eastern Hill one handed while holding his broken map board in the other, it was never going to end well, but kudos to him he was going ok till he hit the first switchback. A close tussle between Jeff & Peter on the long Long Foot course. Fab & Daniel the stand outs (but you'd expect that) on the Short Foot course with not much separating Cathy, Emma, Hugh & Janet.
