

## **22 NOVEMBER 2017 STREET O – THE LINC**

Another good turnout of mainly MTB orienteers on a warm evening. The foot courses were kinder than the previous week at Mungabareena and there were no hills for the bike riders. Matt Flower knows the area well (and with early warning of the dragon's tail) took the points on the MTB course from John Ferguson. Peter Mousley is hard to catch on the Long Foot O. The Wilson Family deserve special mention with father Tony, son Noah, and mum Michelle and daughter Lucy all completing the bike course.
