

28 FEBRUARY 2018 STREET O WILLOW PARK

A hot & windy evening made for difficult conditions but still a very good turn of 21 starters. Well done to the Whitsed Family George Max & mum Rachel taking out honours on the short foot course at only their second go at orienteering. Cathy McNabb again comfortably taking out the medium course. Tony Perrott is showing some good running form leading up to Nail Can winning the long course by 6 minutes from Peter Mousley. Raf Friere on the MTB course showed a marked improvement from last week after a few expert tips on map & course management from Rick.
