

13 MAY 2018 MOTHERS' DAY CHILTERN MTBO

What a great roll up of 30 starters on a beautiful spring morning. Very pleasing to see such a strong contingent of juniors and boy, did they perform well, all completing the course in good time. Sam & Cooper Northey were very competitive with less than a minute separating them in first & second place, Molly & Matt Williams used their local knowledge to good effect to come in third with Noah Wilson putting in a very good ride in 4th place at his first go solo. And a special mention to Mia & Erin Haydon who got around their course in very good time at only their second go at orienteering, showing they already have a good feeling for the sport.

Helen Robinson took the honours on the Medium Course with Bill & Vera in second place and Phil & Jungeun in third. Prue Peter & Ash all just missed out with a missed control or a mispunch.

A very strong field of 13 took to the long course with Josh Roy flying around the course in just under 90 min, Rick & Leigh continued on with their NZ battle finishing second and third. Apologies to Rob who entered the medium course only to be issued with a long course map, only took him till about half way round to twig that he was visiting all the same controls as the long course riders, hope he wasn't too late for Mother's Day Lunch with Dottie.

Short Course

| | |
|----------------------------------|--------|
| 1. Cooper Northey | 56.36 |
| 2. Sam Northey | 57.34 |
| 3. Molly & Matt Williams | 70.01 |
