

SUNDAY 26 AUGUST INTERCLUB NO 8 NAIL CAN HILL

A beautiful late winter's day saw a good turnout for the final Interclub event for the year. Wagga held the series lead coming into today's event and with their strong showing across the four courses they look to have secured the title for 2018 (final points score to be provided by John Oliver)

A big thank you to our course setters Andrew and Rose Campbell. Andrew & Rose are new members to AWOC this year but are certainly not new to Orienteering and we are very happy that they have made to move down from far north Queensland to NE Victoria to be nearer to family. Their experience across all the Orienteering disciplines will be a great asset to our club going forward.
