

14 OCTOBER 2018 AWOC SCORE O MT TERRIBLE

A mild spring morning on Mt Terrible saw ideal conditions for the 15 starters, not a bad roll up considering how many regulars are away at present. The very dry winter and spring has left the forest & paddocks very open and runnable. Peter Mousley took the honours on the Long (90 min) course bagging 15 of the 20 controls for 41 points of a possible 48, Rob wasn't too far behind with 12 controls for 37 points. Matt, Emma & Indiana were best on the Short (60 min) course with 5 controls for 16 points (2 pts penalty) with Cathy McNab close behind with 6 controls for 14 points (2 points penalty). Good to see Peter Harper back out for a stroll around the bush, skills a bit rusty but still got around ok. A big thanks to John Moore as a first time Course Setter, he did a great job on steep learning curve.
