

6 MARCH 2019 CHILTERN STREET O

A great turnout for our first ever Twilight Street O at Chiltern with 32 starters including 10 juniors and 5 family groups. And in another first for AWOC (to the best of my knowledge) we had our first ever Orienteer on a mobility scooter. Great to see Kay Leydon make her way around the short course in a very respectable 79 min 50 sec and this was despite having to stick to the smooth surfaces and not avail of the many short cuts a local like Kay would be aware of. 12 Chiltern locals took part, many of them as first timers and a hearty AWOC welcome is extended to the Bowler and Rowlings families, Tess Macrae, Kay Leydon and regulars the Williams Family.

A big thank you to Andrew Campbell for setting the course. There was plenty of good feedback on the quality of the Chiltern history lesson. Even the locals learned a thing or two.
